## Legacy Merkur Phase Out

Graco introduced a new line of Merkur pumps and spray packages in October 2008. The new Merkur product line has been very successful in the marketplace. As a result, the Legacy Merkur will be obsolete on August 15<sup>th</sup>, 2009 or upon current inventory sell out. Please see the attached list of Legacy Merkur pumps, spray packages, air motors and lowers which will be obsolete.

For your convenience, also attached is a cross reference of the Legacy Merkur spray packages with the new Merkur spray packages. All Legacy Merkur replacement parts and accessories will remain active.

For information on Merkur Spray Packages and Pumps, (brochure form #340004) please contact your Graco Account Manager, or visit [www.graco.com](http://www.graco.com).

Sincerely,

A handwritten signature in black ink that reads 'Wendy Hartley'.

Wendy Hartley  
Product Manager
