

# STRETCH YOUR HEALTH CARE DOLLAR

## Compare costs to get the most value from your health plan.

As part of your benefit plan, you have access to a shopping tool that helps you compare the cost of health care. This can help you and your covered dependents save money on the services and prescriptions you use most.

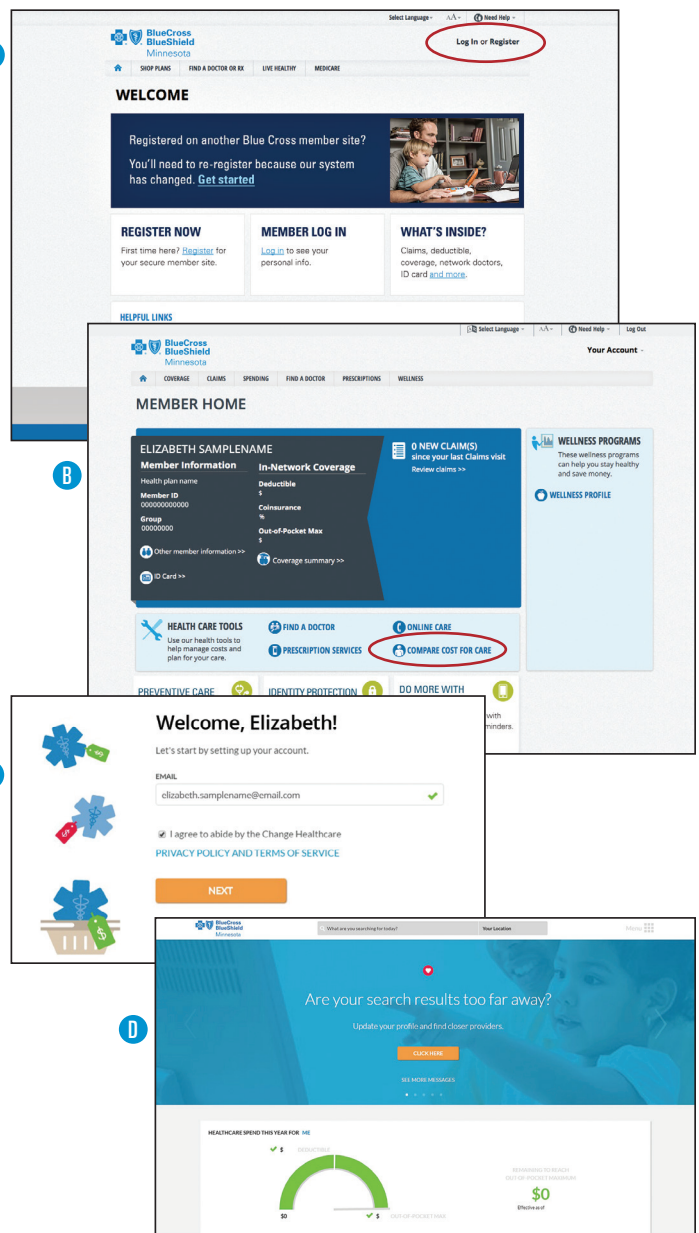

To get started, visit [bluecrossmnonline.com](http://bluecrossmnonline.com).

→ In the upper right-hand corner, click on the “Log In” or “Register” link. (A)

- If you are a first time user, you will need your Blue Cross member ID card to complete the registration process. Follow the screen prompts to create your online account.

→ Once you’ve successfully registered and logged in, you’ll be taken to your member home page (B). Below your member information you’ll find helpful health care tools. Click on the “Compare cost for care” link and a new window will open (C).

- After confirming your email address and agreeing to the privacy policy and terms of service, you’ll be able to set up profiles for you and the dependents covered under your plan. The prompts will walk you through so results will match your preferences (D).

### Personalize your preferences

Get shopping alerts to show you where you can save on health care. Choose to get them by text or email.

### Share your feedback

We’d love to hear from you. How much did you save? Take the survey at the bottom of the page to help us improve.

### Need help?

Click on the “Get help” link to send an email. Staff is available Monday through Friday, 8 a.m. – 5 p.m. Central Time to assist you.
